Majlis Penyampaian Skim Insentif Kemenangan Sukan (SKIMAS) Kerajaan Negeri Pulau Pinang

The Penang State Sports Council held a gala night at the iconic The Top Restaurant on Friday, 20 November 2026. This special event was held to honour the effort, commitment, sacrifices and dedication of the athletes who gave their best to keep the state and nation's flags flying proudly in national and international events.

Penang's "Who's Who" in sports were present – VIPs, the coaches, team managers, sports personalities and most importantly, the athletes! The Guest of Honour was Y.A.B. Tuan Chow Kon Yeow, the Chief Minister of Penang. Cash incentives were presented during the dinner.

SKIMAS is essentially an initiative by the Penang State Sports Council to motivate Penang athletes to always set higher targets in all competitions that they participate in, including the Sukma Games, SEA Games, Asian Games and the Commonwealth Games. It is also the Penang State's recognition and appreciation to its athletics for all their personal sacrifice. Behind every Gold, there's inevitably "blood, sweat and tears".

"Go for Gold!" is this year's war-cry at the 22nd Sukma Games. For the record, our Penang Chess Team was particularly successful in the SUKMA Games in Selangor. IM Poh Yu Tian won the Gold in the Standard and Rapid Events. The Penang Ladies' team added a third Gold to place Penang in 2nd Place in the Cumulative State Medal Tally for Chess.

E-Chess was introduced for the first time in the 22nd SUKMA Games in Selangor. In the Ladies' Category, Goh Cai Xuan emerged as the "darling" of e-Chess with Golds in the Blitz and Rapid event. In the Para Sukma Event, ACM Tan Yin Kuang struck Gold in the Men's P1 Rapid event. Congratulations to the winners!

Penang Chess Team: Best Performance at the Standard Event!

Our chess players received a total of RM38,100 in SKIMAS incentives
