E-Sports Training

The 2026 Malaysia Games (SUKMA) in Selangor will feature the new sports of e-sports, chess, cricket and kabaddi. SUKMA is scheduled for 15th to 24th August 2026. There will be E-Sport Chess 1+0 (Blitz) and E-Sports 3+0 (Rapid) for the Male and Female Category. In other words, there will be 4 additional Golds available for E-Sports Chess!

For the record, Chess contributed 5 Golds, 4 Silvers and 4 Bronzes at the 2024 SUKMA in Sarawak. Penang hopes to improve on the excellent results in Kuching with the inclusion of E-Sports Chess.

As such, PCA Assistant Secretary, Jonathan Chuah has invited quite a select number of players to provide training for our SUKMA squad with regular “training arenas” during weekends. The top players include IM Poh Yu Tian, IM Ooi Zhi Yang, FM Wong Yinn Loong, WFM Agnes Chong, CM Jonathan Chuah, CM Looi Xin Hao and WCM Chua Jia Tien. The time controls will only be 1+0 and 3+0, since it is e-sports. The first E-Sports 3+0 Arena started at 10am while the first E-Sports 1+0 Arena started at 11.10 am on 15th May 2026. The event is on-going till end of July.

As it is more of a training programme, the prize structure is modest. I attached the prize structure and some of the winners in the month of June. I have also attached the pamphlet for the first PCA-Chessway E-Sports 3+0 Blitz.
