SJKC Kheng Tean Chess Competition & Workshop 2026

The North-East District Chess Club of Penang was there to assist Kheng Tean Primary School to organise a Closed Chess Competition and Workshop to promote chess within the school community. Some 450 players were present for the Introductory Chess Training Program. 34 players later registered for the Kheng Tean Closed Competition. Kudos to Lim Poay Sim and his team for taking the lead to introduce the wonderful game of chess to the entire student population!
