**Penang Sports Club 90th Anniversary Celebrations
on 31st October 2026 at PSC Grounds**

Penang Sports Club is a private members sports club and cricket ground, established in the year 1936. It is located in the city of Georgetown covering a land area of about 16 acres. The ground has hosted cricket matches for Malaya and then Malaysia. On 31st October, 2026, PSC will celebrate its 90th anniversary with an “Open House” and a variety of sporting event.

There will also be “Wellness and Health” activities and of course, delicious food on sale. PCA is supporting the celebrations with a booth on puzzles’ challenge and a simultaneous chess exhibition. International Arbiter, Chess Master and National Master Jonathan Chuah will take on the first 20 players to register. Jonathan has the distinction of beating Hikaru Nakamura (now Super Grandmaster) in the Under 12 World Youth Chess Festival in Spain (1992). Souvenirs will be given and your participation is free! Come and register for the events!
