Pembangunan Catur MSSPP Bawah 9 Tahun

Pembangunan Catur MSSPP is a wonderful initiative and collaboration between the Penang State Education Department (JPN) and the Penang Chess Association (PCA) to ensure that Penang will always stay among the front-runners at the national age-group level. A series of age-group chess events comprising the Under-9, Under-11 and Under-16 was planned at the Prangin Mall from 17-19 November.

The Under-9 event was held on 17 November 2026 with a participation of over 164 players in the Boys' section and 130 players in the Girls' section. Nearly 300 junior players! Many thanks to PCA's Lim Poay Sim and his team and to Mr. Ang Wei Chun, the Penang Sports Council Technical Chairman and his team too. The future of Penang Chess is certainly bright!
