Pembangunan Catur MSSPP Bawah 16

Pembangunan Catur MSSPP is a wonderful initiative and collaboration between the Penang State Education Department (JPN) and the Penang Chess Association (PCA) to ensure that Penang will stay among the front-runners at the national age-group level. A series of age-group chess events comprising the Under-9, Under-11 and Under-16 was planned at the Prangin Mall from 17-19 November. The Under-16 event was held on the 19 November 2026 with a participation of 111 players in the Boys' event and 65 players in the Girls' event. Very encouraging!

Madam See Swee Sie, the President of the Penang Chess Association and Mr. Ang Wei Chun, Chess Technical Chairman of the Penang School Sports Conucil (MSSPP) were both present to kick-start the events. In total, the 3 events attracted 473 boys and 325 girls. A truly commendable effort!
