

## PCA Chess Library

Good news to all chess enthusiasts! PCA intends to start its very own library in the second half of 2026. We were fortunate that Mr. Chen Lai Keat has donated his extensive collection of more than 400 chess books and magazines to PCA. We welcome all donations from anyone who would like to add more materials to our library. PCA members can borrow books or magazines for a nominal fee of RM1 per book or magazine. Non-members will need to pay RM3 per book or magazine. Be a member of PCA! The loan quota is 3 books per month. Overdue penalties of 50 cents per day is levied.

Many thanks Eng Seong for this wonderful initiative! A well-equipped chess library is one of the missing links in our club house to spur interest as well as increase the depth of understanding in the game of chess!
