ABOUT ENHANCE EDUCATION

Enhance Education Sdn. Bhd. operates in the education sector of the service industry and specialises in providing high quality English language teaching to children and adults. All our teachers are native English speakers from UK, Ireland, Australia and Canada etc. They are fully qualified English language teachers with vast experience teaching English to a wide range of students and clients. All our academic staff are registered with the Ministry of Education.

We use a communicative and active approach to our teaching, where students' participation and interaction is our primary goal, including motivating activities that encourage both group and pair communication. Our tasks are designed to maximise students' involvement, building their fluency and confidence while making learning enjoyable.
