

Welcome to the 17<sup>th</sup> Edition of the Penang Heritage City International Chess Festival. This annual festival is the premier event of the Penang Chess Association. The 2025 festival had attracted 2 International Grandmasters, 11 International Masters and 1 Woman International Master. They were among the 265 players from 18 countries vying for the Open and Challenger events. The total prize awarded was RM55,000. The Champion in the Open Category took home RM10,000 while the Challenger's Champion received RM1,300. In addition, we had 98 teams registered for the Penang Chess League Championship. A prize of RM3,000 awaited the Champions. A total of 120 players had registered for the Blitz event. Many thanks to all the players from near and far who took time off to be with us.

Organising Chairperson and PCA President, Madam See Swee Sie noted that the Penang Heritage City International Chess Festival is already well established, and it has already been made a preferred chess venue in the International Chess Calendar. The participating countries at the 17<sup>th</sup> Edition were Australia, China, Denmark, Hong Kong, Indonesia, India, Iran, Iceland, Japan, Kazakhstan, the Netherlands, the Philippines, Singapore, Ukraine, the United States of America, Uzbekistan, Vietnam and host Malaysia.

PCA was also delighted that 8 OKU players have made a special effort to participate in the Challengers' event. Chess, as we all know, is an inclusive sport for all. The game transcends race, religion, gender, physical attribute, age or background.

The Guest of Honour for the Opening Ceremony was YB. Wong Hon Wai, State Exco for Tourism and Creative Economy. Sports tourism is becoming increasingly popular. During the Opening Ceremony, the full-house auditorium

was treated to a rousing welcome by performances from the Penang Boys' Brigade (2<sup>nd</sup> Company) and Singapore's Merlion Pipes and Drums.

Mr. Abdullah Hidayat Mohammad, the co-founder and managing partner at Ficus Venture Capital and founder of Chesshub was a special invited guest who shares the same aspirations and vision as PCA – that is to bring chess in Malaysia to the next level. He shared Chesshub's mission for the year 2026. It will include a Malaysian Chess Circuit with GMs and IMs participating in every leg.

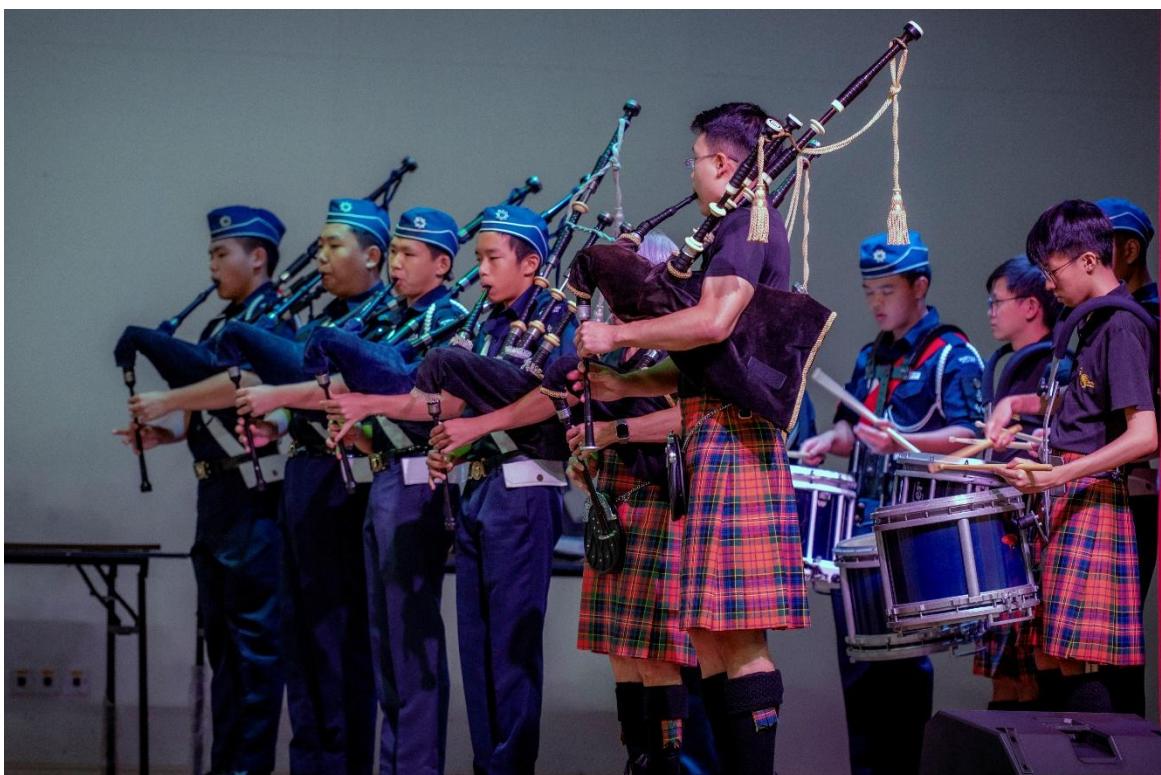

Mr. Lau Chong Beng, the Senior Principal of Wesley Methodist Penang (International) was the Guest of Honour at the Closing Ceremony. Our special thanks to Mr. Lau for allowing us to use of the auditorium at Wesley Methodist School Penang (International). It was probably the best venue in the festival's 17 years' history. We look forward to a record participation at the coming 18<sup>th</sup> edition at Wesley Methodist School Penang. I append below the results of the festival as well as some photos. A Blessed 2026 to all!
